

14 July 2022

Dear Parent/ Carer

Just a polite reminder that following the parents and staff consultation in spring 2022, the school day will change from September. This means that on Monday, Tuesday, Thursday and Friday school will finish at 3:25pm. The bus times have also changed to accommodate this later finish as outlined below. Wednesday will continue to finish at 2:20pm as this time is allocated for staff to work as a team from 2:30-4pm on improving teaching and learning to benefit the students.

The additional 10 minutes will be allocated to the lunchtime to allow all students across the school to enjoy lunch together and allow a longer lunch period of 40 minutes where extra-curricular activities can take place.

As a reminder all students are expected on site at 8:40am for registration.
