22 October 2021

Dear Parent/Carer

Please find attached the provisional mock timetable for your child for the week beginning Monday 29 November until Friday 10 December. Results will be given out on the 14 January 2022 where they will have a mock results day to mirror the real experience in the summer. Results will not be shared with students before this date.

We have attached a support booklet with revision hints and tips to help them organise their time. Students have been provided with a paper copy of this booklet and the mock timetable.

Yours sincerely,

Mrs H Davies
Deputy Headteacher
