6 September 2021

Dear Parents/Carers

Re: Measles, Chicken Pox

Please may we ask for your cooperation in a vitally important matter? One of our children is receiving medical treatment. This puts the child at serious risk if exposed to measles and chicken pox.

If your child is suspected of having either you should let us know immediately.

Your child is not at risk whatsoever from this situation. However, the health and well-being of the child who is at risk, does depend on the co-operation of all other parents and we hope you can help us.

Many thanks for your understanding.

Yours sincerely

Mr K Flanagan
Headteacher
