Dear Parents/Carers

Ethics and Philosophy GCSE Revision Resources

In order to help Year 10 and 11 students prepare for their Ethics and Philosophy GCSE exams, we are offering the opportunity for students to purchase revision materials to help them with their studies. Having looked through the range of revision resources available, we feel that the ones we have sourced are the most appropriate.

The revision resources for Ethics contains advice on the different areas of the exams, model answers and practice exam questions to improve their technique. The resources include the content for both papers 1 and 2, and includes activities for the students to complete; based on the skills they will be tested on in the exam.

In addition to this, the GCSE Pod and the BBC Bitesize websites are particularly useful revision tools to help the students with their preparation.

Your support with this is greatly appreciated.

Yours faithfully

Joy Bentley

(Head of Ethics and Philosophy)
