Dear Parents and carers,

I am writing to inform you that your child will be taking part in some exciting events which will enhance their study of English Literature, as they watch **two** live performances: **A Christmas Carol** and **Macbeth**. The performances will take place in school on:

A Christmas Carol on Tuesday 19th November 2024

Macbeth on Tuesday 11th February 2025

These are all set texts which are studied as part of their GCSE Literature course. Watching the performances in school will allow the students to develop a deeper understanding of the texts, helping to improve their revision and, above all, give them an enjoyable theatre experience. In previous years, students have found the events invaluable and helped us gain our fantastic results!

Manchester Actors (Manacto) is an experienced professional company who have brought theatre to life for students of all ages over the last 25 years. Their energetic performances and close attention to language is just what the students need for an enhanced understanding of the set texts.

The voluntary contribution for watching the **two** performances is just £5.50 (this is the total for both performances), which we ask for by Friday 15th November 2024. Please pay via ScoPay.

Thank you for your continuing support with your child's study of English. We wish them every success in this important, final GCSE year.

Yours sincerely,

Mrs H Foster
