Dear Parents and Carers

RE: YEAR 10 AND 11 CAREERS ACTIVITIES

We have lots of Careers activities planned for our Year 10 and 11 students this year.

The first main event is our Careers Fair which is taking place next **Thursday, 10th October**. The Fair will open to students in the morning and all Yr 10, and 11 students will visit the Fair as part of their school day. The Fair will be open until 4pm so that parents and carers can come along and speak with the exhibitors at the end of the day. There is no need to book, you can just turn up. I have attached a flyer showing you who is coming along to the Fair, together with a short introduction from each of the exhibitors. Please can you encourage your son/daughter to read through this before they come along so they know who they want to talk to.

There is also a document detailing all the upcoming Sixth Form and College Open Evenings. It is really important for the students to go and have a look around the different schools and colleges that they are thinking of applying to. This will give them the opportunity to see what courses are available, talk to tutors and students, and see students work on display.

Dates for your diaries:

1 to 1 Careers Guidance Interviews will take place throughout the year – Yr 11

Year 11 Mock Interviews – **Friday 15th November**

Apprenticeships Fair – Yr 10 & 11 – **Tuesday 4th February**

Work Experience week – Yr 10 – **24th to 28th March**

University visit – Yr 10 – **Friday 4th July**

We are also holding some College lunchtime drop-in sessions on a fortnightly basis – We have both Birkenhead Sixth Form College and Wirral Met College coming in – see attached flyer.

Finally, we have a Careers Drop-In on a Thursday lunchtime – students don't need an appointment, they can just turn up and ask me anything and I will do my best to help them see below dates on next page.

Yours sincerely

Mrs Turner
