<b>% of pupils staying in education or employment after GCSE studies</b>	96%
<b>Ebacc average points score</b>	3.86

#### Progress 8 Score:

This score shows how much progress pupils at this school made between the end of key stage 2 and the end of key stage 4, compared to pupils across England who got similar results at the end of key stage 2.

A score above zero means pupils made more progress, on average, than pupils across England who got similar results at the end of key stage 2.

#### Attainment 8 Figure:

Attainment 8 measures a student's average grade across their best eight subjects – the same subjects that count towards Progress 8.

A student's Attainment 8 score is calculated by adding up their points for their best eight subjects, double counting their best English and Maths results. This is then averaged across the whole cohort to get the Attainment 8 score.
