Dear Parents and Carers,

Re: Parent Forum

As a school we are always reviewing ways to improve parental engagement in relation to feedback of your experience as a parent of a pupil at Pensby. We are keen to ensure parents have the opportunity to discuss their experiences with school in a new Parent Forum.

Our vision for the Parent Forum is to meet on a termly basis with myself in order to continually reflect on current processes already in place and discuss any improvements for future provision.

In order for the process to be effective and valuable, we would like to invite a group of parents and carers who would be willing to meet to share and discuss views.

If you would like to be part of the Parent Forum, helping to review and improve the experience of a parent at Pensby High School, please email me by Friday 19th September to **parentforum@psf.wirral.sch.uk**

Once we have our Parent Forum Representatives agreed, we will arrange our first meeting within the first term. We may have to limit numbers to ensure the meetings are effective, however we will try to ensure all year groups are represented.

Thank you for your consideration. We look forward to hearing from you soon.

Yours sincerely,

Mrs K Plunkett
Assistant Headteacher
