Dear Year 11 Parents/Guardians,

Are you ready to take your first step into the world of banking and finance? Whether you're considering apprenticeships, work experience, internships or graduate schemes—this session is your launchpad.

Lloyds Banking Group is one of the world's biggest financial services companies with over 30 million digital customers. Find out how they help Britain prosper, what makes their culture inclusive, and how their well-known brands are driving real change.

At this event, you will participate in workshops, network with their people, and hear about all of the key application deadlines for this year's opportunities. You'll hear straight from senior leaders about their journey, as well as recent apprentices and graduates and the advice they wish they'd had when starting out.

In addition, all who attend this virtual event will be the first to hear about and apply for over eight in-person events at their offices all across the UK. These events take place on Saturdays, so they don't impact time out of school or university. In-person opportunities are very rare, especially at huge banks, so this will be your head start to getting your foot in the door!

Your future starts now. Let's unlock it—together.
