Dear Parents/ Carers

Nasal and Intramuscular Flu Vaccination Consent Form

Your child is due to have their flu vaccine. The school session is booked for **19th November 2025**

The vaccine helps protect your child from flu. Flu can make people feel very unwell and can be serious. The vaccine also helps stop flu spreading to family and friends.

Most children will get the nasal spray. Some children may need the injection instead. This might be because of health, religion, or diet.

Please choose which one you want your child to have on the consent form.

Fill in the consent form using the link below by 12th November 2025:

<https://nhslmms.azurewebsites.net/session/bff401bf>

If you do not want your child to have the flu vaccine, please let us know using the same link.

If we have not received a consent form your child may be asked if they want to give their own consent for the vaccine. The nurse would assess they fully understand the vaccine before administering it.

If you have any problems using the link, please telephone 0333 358 3397.
