Headteacher: Mr K Flanagan

Dear Parent/Carer,

I hope this letter finds you well.

As we approach a pivotal stage in your child's educational journey, I am writing to inform you about the opportunity to purchase a comprehensive revision guide to support their preparation for the upcoming GCSE Mathematics examinations.

The revision guides are available for purchase through Scopay at a cost of £6.50. To ensure timely distribution, the deadline for placing your order is **Monday, 9th February**.

Please be aware that final decisions regarding the tier of entry (Higher or Foundation) for the GCSE Mathematics examinations will be made following the completion of the final mock examinations in February. However, as a general guideline:

- **Sets 1 and 2** typically prepare for the **Higher tier exam**.
- **Sets 3 to 7** generally focus on the **Foundation tier exam**.

If your child is uncertain about which revision guide to purchase, I encourage them to speak directly with their mathematics teacher or contact me for guidance.

In the event that you purchase a revision guide for the Higher tier and, after the mock examinations, it is decided that the Foundation tier is more appropriate, we will facilitate an exchange of the revision guide at no additional cost.

Thank you for your continued support in ensuring your child is fully equipped for their studies. Should you have any further questions or concerns, please do not hesitate to contact the school.

Yours sincerely,

Mr R. Jones

Head of Mathematics
Pensby High School
