Dear Parents and Carers

### **Re: Inclusion Information Fair invitation**

As a school, we are always keen to work with our parents and carers to offer support, advice and guidance; however, with increasingly limited resources, we believe it would be useful to share the range of appropriate external agencies and services readily available within the local area.

Knowing the appropriate agency or service to approach can be challenging, especially when it is unclear as to what their exact 'offer' is. Diane Challinor, our Family Advocate, may have previously signposted some parents and carers to the relevant services, and will continue to do so going forwards, but there may be a time and situation where you would prefer to seek direct advice from the individual agencies. To facilitate this, we have invited approximately twenty different agencies to attend our first Inclusion Information Fair. This is an event for all parents and carers within our school community, providing you with the opportunity to gather information and speak informally with a range of service representatives who will have stalls set up in our school hall.

This will be taking place on Thursday 26 February 2026 between 2.30-5pm. It is a drop-in event and refreshments will be available.

We hope you can call in at some point during the afternoon. It would be good to see you.

Please confirm your intention to attend by following the link below:
