

Dear Parent/Carer,

As part of our commitment to promoting a strong reading culture across the school, we are carrying out an audit of students' reading habits. This will help us understand how often our students choose to read, the types of texts they enjoy, and what might encourage them to read more regularly.

To gather this valuable information, we have created a short student survey. We kindly ask that you encourage your child/ward to complete the survey using the link provided [Pensby High School Student Reading Survey – Fill in form](#). Their responses will help us assess current attitudes and guide future decisions on how we can make reading more accessible, engaging, and enjoyable for every student.

This initiative forms part of our contribution to the National Year of Reading, and your support plays an important role in ensuring we can create the best possible reading opportunities and experiences for our young people.

Thank you in advance for your encouragement and cooperation. If you have any questions, please do not hesitate to contact us.

Yours faithfully,

Mrs K Miller

Literacy Coordinator
